ArtHouse is a new contemporary residence hall on the North Park Blocks in the arts-focused Pearl District just a 5-minute walk from PNCA’s future Arlene and Harold Schnitzer Center for Art and Design and across the street from the Museum of Contemporary Craft.

The student apartments are light-filled spaces that face the park and the city, with daylight halls that serve as gallery spaces for student art. Apartments are furnished, have fully-equipped kitchens, new appliances, and washer/dryers. Students have the option of renting their own private studio, a room in a two-bedroom or three-bedroom apartment, or sharing a room with another PNCA student.

AMENITIES INCLUDE:

- Café and groundfloor retail
- Community study room
- Student art gallery
- High-speed wireless internet
- Electronic building entry system
- Rain garden
- Bicycle parking
- LEED registered building with green features
- Proximity to Portland Streetcar and Green/Yellow MAX Line

Beginning in Fall 2013 all new freshmen and transfer students will be required to live in ArtHouse unless the student meets the College’s exemption qualifications listed on our website. All housing requests are available on a first come, first served basis. Admitted Spring students are welcome to apply for housing and will be accepted on a space available basis. After the first year, students who wish to live on campus participate in a lottery, held during Spring term, to determine space availability and choice of rooms.

Please visit our website or contact PNCA’s Office of Student Services for more information regarding ArtHouse, PNCA’s Residence Life program, and resources for off-campus housing alternatives.
