Dear Residence Life Student,

It’s my pleasure to welcome you to Pacific Northwest College of Art (PNCA) and our Residence Life program at ArtHouse. We are very excited about having you living in our community, and we’re sure you’ll find ArtHouse to be a warm and welcoming home away from home. PNCA is a wonderful and unique place for you to grow as an artist, and our Residence Life program was designed with the needs of student artists and designers in mind.

This Residence Life Policy & Resource Guide is intended to help you discover what resources are available to you at PNCA and as well as what we expect of our residents. We know it may not be the most exciting thing to do upon your arrival, but it’s really worth spending some time reading through this document, as it contains lots of important information and procedures that will allow you to make the most of your time at ArtHouse.

If there are any issues you feel are not addressed sufficiently in the guide, please do not hesitate to talk to the Residence Life staff. Again, we welcome you to Residence Life and the PNCA community. We hope we can help make your experience here rewarding.

Sincerely,

Rachael Allen

Director of Student and Residence Life
CREATING A SAFE AND HEALTHY COMMUNITY

Student Rights & Responsibilities

You have the right to:
• pursue your studies in an environment free from harassment, discrimination, or undue interference or disturbance from others
• a safe and sanitary environment in which to live
• an impartial and fair judicial process

You have the responsibility to:
• know and abide by federal/state laws and the College’s policies and expectations
• work with staff and other residents to establish norms and standards for living together
• voice your objections directly and respectfully when others infringe on your rights

Expectations and Residence Life Policies

Behavior that reflects mature judgment and respect for the rights of others will support a strong community and meet the expectations of the College. All students are expected to maintain high standards of personal conduct and to show respect for personal and College property and for the rights of their fellow students, college faculty, and staff members. Behavior that threatens or endangers the health or safety of community members or that damages private property will be subject to disciplinary action.

The policies, contained in this document supplement those found in the PNCA Student Conduct Code, which you will find in the PNCA Student Handbook. PNCA students are bound to both sets of policies.

Disability Accommodations in Residential Facilities

Students living in ArtHouse who wish to request reasonable accommodations for disabilities should contact the Director of Student and Residence Life, Rachael Allen (503.821.8920, rallen@pnca.edu).
COMMUNITY LIVING AND LEARNING

Office of Residence Life Mission

PNCA’s Residence Life program provides a supportive and vibrant environment that facilitates creativity and collaboration. We educate students through in-house social and academic activities, as well as events that connect students to the life, culture, and arts of Portland.

Our Team

The Residence Life program includes live-in Resident Advisors (RAs) who provide ongoing programming, resource guidance, and support for community living. RAs are current PNCA students trained to cultivate a safe and healthy community for our residents.

RAs serve as resources in the community, guiding residents to information, opportunities, and services in PNCA and Portland. They facilitate community building and support healthy relationships by helping residents to clarify living standards and expectations and by mediating conflicts when needed. RAs help to assure the health and safety of residents by monitoring compliance with the PNCA Conduct Code and Residence Life Policies.

One RA is on-call Sunday through Thursday (8pm-7:30am the following day). On weekends, an RA is on-call 8pm Friday through 8pm Sunday. RAs perform nightly rounds and have an on-call cell phone students can use to request support or in case of an emergency.

The Residence Life Coordinator manages the Residence Life program, oversees the ArtHouse Resource Desk (ARD), and provides direct support to the RAs and residents of ArtHouse. Policy violations are documented by the RAs and referred to the Residence Life Coordinator for review and action.
LIFE AT ARTHOUSE

Your First Days at ArtHouse

Residence Life Orientation will take place on Move-In Day via floor meetings that the RAs facilitate. At Orientation, you will meet other residents and your RA who will review critical policies, safety procedures, and opportunities for residents to be involved in the community.

Residents are provided with a Move-in Condition Form to review, sign, and return to the ArtHouse Resource Desk (ARD). By reporting any damages on this form, you provide our maintenance staff with an opportunity to correct them quickly, and you will not be held responsible for those damages when you move out. The ArtHouse staff will issue a mail key to you when you return the completed and signed Move-In Condition Form.

Your Apartment Mates and the Apartment Agreement Form

Adjusting to living with others takes time. You may never have shared a room or had to clean a bathroom before moving to ArtHouse. Communication is the key to creating a living space that meets your needs and respects those with whom you share your space.

Some students may make the assumption that a relationship with their apartment mates will not work out before they have taken the time to communicate their needs or listen to the needs of others. Others find it challenging to identify their needs or to clearly and respectfully communicate them. Negotiating through differences with others is an important part of life, and your RA is available to help you to build those skills.

At Residence Life Orientation, you will receive a valuable tool. The Apartment Agreement Form will help you and your apartment mates to set expectations for how you will interact and collaborate in your space. When a conflict or concern arises, speak directly with your apartment mate(s). You may also go to your RA for assistance.

Changing rooms is a last resort taken only after multiple, earnest attempts involving the Residence Life staff have been unsuccessful in resolving the conflict. Roommate or apartment changes may not be made without the approval of the Residence Life Coordinator. Apartment changes requested for reasons of compatibility are not approved earlier than one week after the add/drop deadline each term.

PNCA reserves the right to reassign rooms and apartments when necessary. Residents in an apartment with vacant space may have new students assigned to their space at any time, therefore residents are responsible for keeping the unoccupied space ready for immediate occupancy.

Securing your space

Keys
You will be issued several keys: a fob (to get into the building), an apartment key, a bedroom key, and a mail key. These keys are for your use only and may not be lent to anyone else.

ArtHouse features secured entry via the fob, but this system is only effective if you prevent non-residents from tailing into the building immediately behind you. We are a small community, and you will get to know most of your fellow residents quickly. Be assertive, and ask if you do not recognize someone.

Only you can ensure your safety by locking your apartment door and taking your keys anytime you leave the apartment. This practice will also keep you from locking yourself out of your apartment. (Please see the lock out policy on page 14.) Leaving your door propped open or unlocked when you are not home could result in security problems for you and your apartment mates and is not allowed at any time.
HOW TO ACCESS HELP WHEN YOU NEED IT

**ArtHouse Resource Desk** is the central information point for resident needs and security concerns in the building. The desk assistants monitor those entering the building and are available to assist with maintenance requests, packages, general questions, or other needs.

ArtHouse Resource Desk - 503. 467.4909  
Hours (subject to change):  
Monday-Friday, 11:00 am - 8:00 pm; Saturday, 10:30 am - 4:00 pm

**RentCafe** is the online tool where you can file maintenance requests 24 hours per day. Use the Resident Login link at http://arthouse.chnw.org/ to access this service.

**How to Handle Emergencies**

**Medical Emergencies**
If an ambulance is necessary:
1. **Dial 911** and tell them your situation and the address (33 NW Park Ave.) followed by your apartment number or the location of the emergency.
2. Call the ArtHouse Resource Desk (503.467.4909) or the After-Hours Line (503.929.7941). RAs have basic first aid training and can also provide emotional support.

When is an ambulance needed?
- The condition is life-threatening
- The condition could worsen and become life-threatening on the way to the hospital
- Moving the victim could cause further injury.

**Maintenance Emergencies**
A maintenance emergency is anything that is likely to affect the safety of students or cause immediate harm to property. Examples include: a major water leak, no heat when it is freezing outside, or a broken window. **Call the After-Hours/ Maintenance Emergency Line (503.929.7941)** and report the emergency situation. If the situation is not an emergency, you will be directed to make a regular maintenance request at the ArtHouse Resource Desk or online at RentCafe via the Resident Login at http://arthouse.chnw.org/.
Fire Emergency
All residents and guests must evacuate their apartments when a fire alarm sounds.

1. If you have a fire in your apartment: exit if you can, shut the door, and activate a hand-pull alarm in the hallway. Then, move with others down the stairwell to the designated evacuation location in the park across from the building (near the elephant). Report the fire’s location to Residence Life staff and also let them know if you are aware of the location of any other residents who are unaccounted for at the evacuation location.

2. If the smoke detector goes off and you smell smoke, exit your apartment, staying near the floor, shut the apartment door, and activate the hand-pull alarm in the stairwell. Then move with others down the stairwell and to the designated evacuation area. Report the fire’s location to Residence Life staff and also let them know if you are aware of the location of any other residents who are unaccounted for at the evacuation location.

3. If the smoke detector goes off and you know that the source of the smoke is not dangerous (for example, burned toast), air the apartment out by opening the window. DO NOT open the door because the hallway alarm will sound, triggering evacuation and a visit from the Fire Department. The smoke detector in your apartment will end on its own once enough smoke has cleared. DO NOT dismantle the detector. Notify the ARD about what happened, as concerned neighbors may call us if they hear a smoke detector sounding.

4. If you think that your smoke detector is defective, make a maintenance request immediately. If it is beeping periodically, staff may simply need to replace the battery. Do not turn off or cover your smoke detector. Tampering with or disconnecting a smoke detector or other fire equipment is prohibited because it endangers you and others. Tampering with any safety equipment will result in disciplinary action.
Personal Safety

By taking some basic precautions, you can minimize the opportunity for crime to occur around you. The most effective precaution you can take is to always be aware of your surroundings, both on and off-campus. Students must work together with staff to ensure their personal safety.

Your safety and that of others in and around ArtHouse can be supported by:

- reporting anything suspicious to Residence Life staff – “If it feels weird, it probably is.”
- using the main entrance unless you are entering on Couch to park your bike
- never propping open building entrances, closing propped entrance doors you find, and always alerting staff if you see open entrance doors
- being responsible for and remaining with your guests and never allowing people you do not know into residential areas, especially your apartment
- locking your apartment door and taking your keys when you leave, even if you are just going to another apartment, the trash room, or the lobby
- never leaving valuables in your apartment in plain view
- walking with a classmate or friend at night

Please remember if you do not follow these guidelines, you are jeopardizing your own safety and that of everyone else in the residential community.

Staying Safe in Portland (Or Any Major City)

- carry your PNCA ID card or other ID at all times
- always know where you are going, and act like it
- when you go out, especially at night, avoid traveling alone
- always have a way to get home; carry money for a taxi and/or change for the bus

Personal & Student Property

The college is not responsible for the loss of, or damage to, your personal property. The mandatory renter’s insurance policy is the means by which you may seek replacement for damaged or stolen possessions.

Students are urged to:

- purchase surge protectors to guard against occasional electrical surges
- record the serial numbers of valuable personal items
- take valuable belongings home during break periods
- photograph items of value for insurance and possible theft recovery identification
POLICIES FOR COMMUNITY SAFETY AND SUCCESS

Consequences for Policy Violations
Depending on the severity of the PNCA Student Conduct Code and/or Residence Life Policy violation(s), one or more of the following sanctions may be approved by the Residence Life Coordinator, and/or the Director of Student and Residence Life:

• written warning sent to the student
• community service or other reparations determined by the community
• monetary fines and/or financial or service restitution for loss, damage, or injury
• probationary status for a designated period of time, with subsequent violations leading to more severe sanctions
• housing suspension that separates the student from ArtHouse for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified and the offender will be held responsible for Residence Life housing fees for the duration of the period of suspension
• housing expulsion that permanently separates the student from ArtHouse. In the case of expulsion, the offender will be held responsible for Residence Life housing fees until the end of the contract period.

Process for Determining Policy Violation Consequences
1. Upon receipt of documentation of a policy violation (from a Resident Advisor, other ArtHouse staff, or a community member), the Residence Life Coordinator will review the available facts and investigate further as needed.
2. Depending on the severity of the violation, the Residence Life Coordinator will determine an appropriate sanction, convene a one-on-one meeting with the alleged perpetrator(s), and/or convene a meeting with the perpetrator(s) and affected community members.
3. Following any required meetings, the Residence Life Coordinator will issue official correspondence specifying the result of the meeting(s) and any associated sanctions and related stipulations or deadlines.
4. Students who do not comply with sanctions will be subject to further disciplinary review with the Director of Student and Residence Life.
ArtHouse Policies

The policies contained in this document supplement those found in the PNCA Student Conduct Code, which you will find in the PNCA Student Handbook. PNCA students are bound to both sets of policies. In addition, students are bound to any additional policies specified in the ArtHouse lease.

Compliance with PNCA Staff
Residents and their guests are expected to follow all official requests from all PNCA staff members (including but not limited to Residence Life Coordinator, Resident Advisors, security staff, college administrators, etc.). Failure to comply with an official request will result in disciplinary action. Residents will be held responsible for the actions of their guests.

Right of Room/Apartment Entry
PNCA Residence Life respects the student's desire for privacy within the realm of the group living experience and protects this privacy. However, in the interest of maintaining an environment that provides for the health and safety of residents, it is occasionally necessary for authorized staff to exercise the right to enter a student's room.

The College reserves, without restriction, the right to allow authorized personnel to enter the student's housing unit and, in certain circumstances, search the housing unit and property in the housing unit. Authorized personnel have the right to remove items from a student's housing unit that are in violation of the College's rules and regulations or applicable laws, rules or regulations.

Staff members entering student rooms use discretion. Student rooms may be entered under the following conditions.

- To provide room maintenance or repair services
- For routine health and safety inspections. These inspections will occur at least once a semester.
- For emergency situations, to protect the safety of the resident or other occupants, and/or to address disruptive behavior.
- To maintain an atmosphere that promotes the scholarship of residents (e.g., silencing an unattended stereo, alarm clock). This is only done with the approval of the Residence Life professional staff.
- If a Residence Life staff member believes that there may have been a breach of the policies contained in this document, the PNCA Conduct Code, or state/federal law.

All personnel responding to emergencies, repairs, and/or room inspections have an obligation to report any violations of policy that are found.
Reassignment of Rooms or Units
PNCA reserves the right to reassign rooms and apartments when necessary. Residents in an apartment with vacant space may have new students assigned to their space at any time, therefore residents are responsible for keeping the unoccupied space ready for immediate occupancy.

Caring for Your Space
Residents are responsible for maintaining their apartment unit and its furnishings with reasonable care. Residents are also expected to use reasonable care in using and maintaining common areas related to the housing unit or other ArtHouse facilities.

Cleanliness
A safe and healthy community requires that residents maintain adequate cleanliness and housekeeping. A clean apartment, particularly in the kitchen and bathroom areas, is essential to the health of apartment mates, as well as the rest of the ArtHouse community. If during at any time it is determined that any area of an apartment is excessively dirty, residents of that apartment may be required to clean the area by a specified deadline. Failure to clean sufficiently may lead to charges for the time and labor it takes a contracted cleaning company to complete the work.

Prohibited Items and Actions
For the safety of our community and proper care of our facility, you may not:
• remove or store ArtHouse furniture outside of your living unit;
• move furniture inside of an apartment from one room to another;
• affix materials to the walls, windows, or ceiling in a manner that might damage the surface (e.g. drilling, duct tape, etc.);
• place wallpaper or adhesive paper on the walls or windows;
• place adhesive paper in cabinets or on shelves;
• place stickers on doors or other surfaces in the apartment;
• paint living unit (walls, doors, floor, etc.);
• remove or replace shower heads;
• complete your own repairs to the facility, furniture, or appliances;
• hang anything from or affix anything to the outside of your windows, including signs, flags, air conditioning units, antennae, and satellite dishes;
• run wires beneath carpeting or duct tape wire to the carpet;
• use extension cords without a UL approved circuit breaker;
• use space heaters or personal air conditioning units;
• replace light bulbs in the apartment (only maintenance staff via the work order system may replace light bulbs);
• keep or use water-filled furniture including waterbeds, pools, toys, etc.;
• possess hookah pipes, incense, candles, or other items that require a flame to ignite;
• house or feed live animals;
• store stolen property.
**Weapons & Explosives**
The possession, or use of weapons including, but not limited to firearms, explosives of any type (including fireworks), and knives (other than those typically used in artwork or food preparation) is prohibited on campus and in ArtHouse. Violators will be subject to disciplinary action and weapons or explosives will be confiscated.

**Windows**
For reasons of health and safety, nothing is to go in, out, or be thrown or hung from any ArtHouse window. Individuals are not allowed to lean out of windows or sit on windowsills.

**Damages**
Residents must pay for any damage to their housing unit and/or its furnishings. Residents are jointly responsible with other students for damage to any common areas of ArtHouse. Damages will be divided among all applicable residents, unless the party responsible for the damage is identified. All charges for damages will be billed to the PNCA Student Account and must be paid promptly upon demand by the College.

**Flame-Free/No Smoking Environment**
ArtHouse is a flame-free/no-smoking facility. Smoking is not allowed within 25 feet of the building. You may not inhale, exhale, or possess, any lighted product in any form that produces smoke. Candles, incense, sage, marijuana, or similar may not be burned in your apartment as they pose a potential fire threat as well as smoke.

Violation will result in a fine. Repeated violations may result in termination of the lease with full financial obligation for any balance on the full term of the lease. Residents will be responsible for the costs of removing smoke odor or residue, which may include deodorizing or replacing the carpets and painting the walls.

**Art Making and Waste Disposal**
It is important that all students living in ArtHouse follow all guidelines for appropriate use of materials (solvents, chemicals, etc.) when making art. PNCA faculty can provide information about appropriate use of solvents and sprays. Spray paint use in the apartment is strictly prohibited due to health risks and property damage. Violators will be fined.

There are trash rooms located on each floor and students are responsible for carrying their trash to these designated areas. To meet health requirements and to control unwanted pests, all trash must be bagged and discarded in the trash chute and recycling containers in the trash rooms. Students may not leave trash outside of their apartment door. If the trash/recycling room is full, please tell an RA or the ArtHouse Resource Desk and wait to dispose of your items. **There is a $50 charge for improperly disposed trash.**
Recycling
ArtHouse is equipped to recycle paper, metal, glass, and plastic products, and there are clearly marked receptacles in the trash rooms. All paper can be recycled at these locations unless it is soiled with food, such as pizza boxes and other cardboard food containers. If the trash/recycling room is full, please tell an RA or the ArtHouse Resource Desk and wait to dispose of your items.

Alcohol and Other Drugs
Students who are under the legal drinking age (21 years) may not possess, serve, or drink alcohol in their apartments, in any other apartment in ArtHouse, or anywhere else on campus. Residents who are 21 years or older may drink alcohol in the privacy of their own apartments, however, they may not buy for or serve alcohol to students or others under the legal drinking age.

Use, possession, distribution, sale, or possession with the intent to distribute or sell illegal drugs (including marijuana) is a violation of federal, state, and local law, as well as PNCA policy. The possession of drug paraphernalia is also a violation of state law and PNCA policy. The misuse, distribution, or sale of prescription drugs is also prohibited.

Depending on the severity of violations of the Alcohol and Other Drugs policy, sanctions may include fines, probation, dismissal from ArtHouse, and/or referral to Portland Police Bureau.

Noise and Quiet Hours
For residents of a community, respect and courtesy for others is essential in creating a comfortable environment for everyone.
• PNCA expects at all times that residents will respect each others’ needs for a calm and quiet living space and will not make unreasonably loud noise. This means that **courtesy hours are in effect at all times**. If asked, students will turn down the volume of whatever noise is concerning others.
• **Quiet hours are in effect from 10 pm to 8 am seven days per week.** “Quiet hours” means that stereos, televisions and musical instruments must be at a volume that confines the sound to a student’s room; noise from conversations should be confined to individuals’ apartments, and noise in public areas are kept to a minimum.

A repeated instance of unreasonable noise at ANY time of day or night is unacceptable to the community in ArtHouse and is subject to sanctions.

Guests
A guest is any person who is not a resident of a particular apartment in ArtHouse and whose purpose is to visit for a short time with another person who is a resident. Gatherings are permitted in apartments as long as participants abide by all ArtHouse policies, including noise (courtesy hours at all times and quiet hours as specified above), smoking, and alcohol and other drugs. Parties must be confined to an apartment, and
fire regulations prohibit more than four times the number of occupants in an apartment. ALL residents of an apartment must agree to host the party. Student hosts are equally responsible for all activity that occurs at their gathering. Violations of these rules are subject to disciplinary action.

Guest Overnight Visitation
Guests are permitted on all nights except prior to the first day of classes at the beginning of a semester.

- All apartment-mates must consent to the overnight guest(s), even if they will not be in the apartment when the guest(s) plan to visit. Apartment-mates have the right to refuse consent for any reason.
- Overnight guests may stay no longer than three days and two nights per seven-day period. Each individual guest may not stay overnight more than 10 nights in an academic year.
- Guests are required to show identification (State ID/Driver’s license or PNCA ID) if requested by any member of the PNCA or ArtHouse staff.
- All guests must observe all policies in this document and the PNCA Conduct Code. Any non-resident found in violation may be removed from ArtHouse and denied further visiting privileges. Host students are responsible for the conduct of their guest(s).
- Guests are to be accompanied at all times during their stay by their host. Guests are not to be left in an apartment without the host present.
- Under no circumstances will a guest be allowed to move into an apartment.

Keys & Lockouts
In the event that you lose your keys, or do not return them when you move out, you will be charged for replacements at a cost of approximately $20 per key. The ArtHouse Resource Desk or on-call RA will be able to help you with any key related matters. For the safety of your apartment, please notify your RA if you have lost your keys so that we can replace them and you can secure your apartment.

If you find yourself locked out of your apartment, you should first try to find an apartment mate to let you in. If no apartment mate is available, contact an RA. Please note: Locking yourself out of your apartment is not considered an emergency.
- 1st lock out- warning
- 2nd lock out- $10 fee
- 3rd lock out- $25 fee
- 4th lock out- $50 fee

Solicitation/Business Operation
Selling or campaigning door to door is not permitted. In addition, students are not permitted to operate a business from a residence hall facility.
Bicycle Storage
Students are encouraged to secure their bikes in the ArtHouse Bike Storage Area. We recommend that you lock your bike with a U-Lock (Kryptonite or similar brand). Residents are allowed to keep bicycles in their apartments, however riding bicycles inside ArtHouse is forbidden. Residents keeping bicycles in their apartments are reminded that they are held accountable for any damage occurring to their apartment.

Because of the need for resident access and emergency exits, bikes are not permitted in stairwells, hallways, on gates, on walkways, or on railings. People who lock their bikes to access areas will be asked to move their bikes. If a bike is not removed quickly, it will be removed. Locks or securing devices will not be replaced, nor will violators be compensated if bikes are damaged in the removal process.

Renter's Insurance/Liability
PNCA is not responsible for theft, loss, or damage to the student's personal property. The mandatory renter's insurance requirement is the means by which you may seek replacement for damaged or stolen items. Personal property left after the student vacates or is required to vacate his or her housing unit will be considered abandoned property. PNCA will dispose of abandoned property, and the student will be responsible for any associated disposal charges.

Pets
All pets are prohibited unless they are approved support animals for students with a documented disability. If unapproved pets are found in student apartments, there may be a fine issued and Residence Life staff will ask for the immediate removal of the animal. Students will be billed for any and all cleaning related to pets that have been in the apartment.

Storage
ArtHouse has no storage space available for resident use. Residents must store all of their belongings in their apartments. Any furniture provided by PNCA must remain in the apartment.

Postings
Flyers, pamphlets, brochures, etc. may not be hung or distributed without the permission of the Residence Life Coordinator. All materials must be brought to the ArtHouse Resource Desk to be approved, and the appropriate staff member(s) will properly distribute the information. Except for official PNCA material, the "stuffing" of mailboxes will not be permitted.

End of Year Closing Procedures
At the end of the academic year, residents are expected to follow standard procedures for closing down their apartment and checking out. Failure to follow closing procedures may result in charges being assessed to the residents of a particular apartment. The
closing process begins a few weeks prior to the end of the spring semester and concludes after residents vacate the apartment. The closing process involves the following steps:

- **Cleaning**: All rooms/apartments should be left in a clean condition to avoid being assessed cleaning charges.
- **Residents check out**: Instructions will be provided closer to the move-out date.
- **Vacant Inspection**: All rooms/apartments are inspected by ArtHouse staff after residents vacate the apartment to assess for damage or cleaning charges.

**Vaccinations**

Meningococcal Meningitis and Hepatitis B are very strongly recommended to students residing in ArtHouse.
