TRANSPORTATION

As an urban campus that is vitally aware of the environment and issues of sustainability, a large majority of PNCA’s students, faculty and staff walk, bike or take public transportation to and from the campus everyday throughout the entire year.

BICYCLES

Portland is one of the world’s most bike friendly cities, which has made getting around the city and to classes easy and satisfying. Campus bicycle parking is on the corner of NW 13th and NW Johnson, near the main entrance to PNCA. Make sure you have a helmet, lights and u-lock to help ensure bike safety and security. A limited number of helmets and lights are available for purchase at a reduced cost at Student Services.
