2nd Year Requirements

Table B

| PNCA- Sophomore Year | Clatsop Community College |
|--------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Intro to World Art History, Art History- 200 level elective. | Block transfer 4 quarters required courses for 2 semesters: Either ARH 201, or 202, ARH 203, ARH 206, and ARH 208 (Non Western Art). |
| Perspectives on Society and Culture | Any 4 credit class from the social sciences. |
| Math and Science | Any 4 credit class from Math or Natural Science. |
| Theory and Practice | Substitute 200 level Humanities, theory, or political science class, or take at PNCA. Portfolio should reflect some awareness of theory and contemporary issues in art |
| 4 Studio electives/ major requirements- 2 semesters | Block transfer 4 semesters for 6 quarters of any studio art electives. Take classes that supports student's major interests |

*Students with the above requirements fulfilled (C or better grade point average) would automatically enter PNCA as a junior with at least 60 credits, with 4 full time semesters left to complete. To finish the sophomore year, most students would need to take History of (their major) in addition to sophomore requirements of their major, but this would be offset by having completed a 200 level Art history elective. Upon successful portfolio review, all credits will have been accepted and transferred in a minimum credit ratio of 3 quarters=2 semesters. Note: Credit base was not used for calculating transfer, but rather contact hours and course content.

Design, Illustration, Animation, and Video/Sound majors may have additional 2nd year requirements. It is recommended that all students take courses related to expected major interest, and that Graphic Design majors also take History of Graphic Design. Requirements can be waived by strength of portfolio upon review by Chair of department, though credits must still be earned.

If a student at Clatsop gets the proper advising, especially in the aspect of the "Major requirement" then they may indeed transfer in at the 60 semester credit level at PNCA.
