

JOB DESCRIPTION

Job Title: Make+Think+Code Faculty Pool

Department: Make+Think+Code

Make+Think+Code at PNCA invites applications for a faculty pool for ongoing part time faculty openings in creative coding, digital (fabrication), data science, creative entrepreneurship, creating interactions and experience, apps, data and systems, generative/computational design, cognitive science, electronics and microcontrollers, iot, emerging tech, mixed reality. In particular, there will likely be openings for workshops this coming winter, spring, and summer.

Preferred qualifications for teaching in the department are: An advanced degree or significant professional experience in one of the disciplines listed above. A high level of demonstrable competency gained through a combination of teaching and of professional experience in one of the above areas is expected. The ideal candidate will contribute to the diversity of Make+think+Code by bringing a perspective, way of thinking, and/or a unique set of experiences that expand the conversations and practices in the field.

Please submit all the following materials electronically to mtc@pnca.edu with Subject Line: M+T+C faculty pool: letter of interest outlining your qualifications and areas of interest; a current curriculum vitae or resume; contact information for three references.

For best consideration, **please apply by October 21, 2017**. Direct all queries to Nandini Ranganathan (Executive Director of Make+Think+Code) mtc@pnca.edu.

PNCA recognizes that diverse classrooms and workplaces offer the richest learning opportunities. PNCA is therefore committed to a policy of equality in our admission and employment practices. All students and employees will be treated fairly at all times and without regard to race, color, creed, religion, sex, age, national origin, citizenship, veteran or marital status, source of income, sexual orientation, gender identity and expression, or the presence of any sensory, physical, psychological or learning disability, and all other bases prohibited by local, state, or federal law. PNCA welcomes applications from candidates that expand the college's diversity.
